Spanaway, WA 98387

Dear Ms. Vernon:

Your Public Records Request, Log Number 06-0129, requesting supporting documentation that confirms the Office of Superintendent of Public Instruction has followed the proper procedures in using federal dollars to conduct or support educational research on human subjects specifically outlined in the Code of Federal Regulations Title 45, Part 46, was received in our office on September 7, 2006.

OSPI is unable to identify any documents that respond to your request. However, we are going to look into Title 45, Part 46 and OSPI's legal requirements.

If you have any questions regarding your Public Records Request, please contact me at 360-725-6111.

Sincerely,

Debra Crawford
Public Records Officer
