

## "Tolerance"

### Lesson 2: Tolerance

**Question 6. What events in the story cause one of the characters to change his or her attitude?**

This is an event that changed a guard's mind. It was near the end of the war. The Germans were losing. The camps were a terrible place to live and there were many sick and dying people. The children didn't have real toys or sweet things to eat. One of the guards felt sorry for Hannah's little sister Gabby and gave her a cookie. Gabby had been in the camp most of her life and never seen a cookie. Hannah told her to eat it, and she did. That was nice of the guard to give Gabby a cookie. (6)

Standard 1 I think that was a big change
